## Notes

Stamped Pink label with black ink  
Artist listed as 'D.J. D.Zire'  
(This would have no doubt been for the credibility factor)...

Bassline from Cavern's 'Liquid Liquid' (aka White Lines), along with Bassline/Vocal intro from The O'Jays 'For The Love Of Money'. Raw Silk's 'Do It To The Music' (gated keyboards) also well utilised, along with lots of scratched samples.
