Notes

Tracks 1-4 are from The Ataris forthcoming album "The Graveyard of the Atlantic"

Tracks 5-10 are from the "October in This Railroad Earth" E.P.

Tracks 11-12 are demos of two new unreleased songs.

Recorded at Flying Blanket Recording, Mesa, Arizona.

Tracked on a 1978 Neve 8078 console, using only vintage amps, guitars and microphones.

All songs recorded and mixed to Analog tape.

There were 450 of these printed, and they were sold exclusively at the 2017 Vans Warped Tour.

These come in a pro-printed cardboard sleeve.
